3rd April to 25th August 2017

Community organisations submit first round of 2017/18 applications.

28th August to 27th October 2017

Successful organisations will be invited to attend a planning meeting to review their application, and discuss the Rothschild & Co measurement framework. Unsuccessful applicants are notified.

10th November 2017

After the planning meeting has taken place, charities have until this date to submit their final application.

13th November to 29th December 2017

Rothschild & Co allocate support and inform community organisations about the outcome of their application.

January to February 2018

After partnership agreements have been agreed and signed, payment is made to successful organisations. Applicants who received funding through the 2016/17 process will be invited to attend a review meeting. If further funding or support was requested, partners will be notified about the outcome following this conversation.

The timeline for the 2018/19 charitable giving application process will be announced closer to the time.
